

Exam information	
Course code and name	STAT7203 Applied Probability and Statistics
Semester	Semester 2, 2020
Exam type	Online, non-invigilated
Exam date and time	Please refer to your personalised timetable
Exam duration	Working time: 120 minutes + additional online allowance: 30 minutes. TOTAL exam duration: 2 hrs 30 minutes from the advertised exam commencement time.
Additional time	30 minutes additional time has been incorporated in recognition of the online environment and the different circumstances that students face in their home environments. This includes time for download and upload, and allowances for network or connection issues.
Reading time	Reading time has not been formally allocated for online exams, however students are encouraged to review and plan their approach for the exam before they start. The total exam time should be sufficient to do this.
Exam window	You must commence your exam at the time listed in your personalised timetable. The exam will remain open only for the duration of the exam.
Weighting	This exam is weighted at 55% of your total mark for this course.
Permitted materials	<p>This is a Closed Book examination - specified written materials permitted. Materials permitted are: your own notes and any material provided on the STAT7203 Blackboard are permitted. RStudio, MATLAB or a Casio FX82 series or UQ approved calculator may be used for calculation. A bilingual dictionary may be used if needed.</p> <p>You may not make use of any other material. This includes web-sites, books, or any other material or software.</p>
Instructions	<p>There are 55 marks available on this exam from 6 questions. Answer all questions. Show your working and state your conclusions, where appropriate.</p> <p>You can print the exam and write in the exam paper, or write your answers on blank paper (clearly label your solutions so that it is clear which problem it is a solution to), or annotate an electronic file on a suitable device. Scan or photograph your work if necessary and upload your answers to Blackboard as a single PDF file, before the end of the allowed time.</p> <p>You should include your name and student number on the first page of the file that you submit.</p>
Who to contact	<p>If you have any concerns or queries about a particular question, or need to make any assumptions to answer the question, state these at the start of your solution to that question. You may also include queries you may have made with respect to a particular question, should you have been able to 'raise your hand' in an examination room.</p> <p>If you experience any technical difficulties during the exam, contact the Library AskUs service for advice (open 7am–10pm, 7 days a week, Brisbane time):</p> <p>Chat: https://support.my.uq.edu.au/app/chat/chat_launch_lib/p/45</p> <p>Phone: +61 7 3506 2615</p> <p>Email: examsupport@library.uq.edu.au</p>

	<p>You should also ask for an email documenting the advice provided so you can provide this on request.</p> <p>In the event of a late submission, you will be required to submit evidence that you completed the exam in the time allowed. We recommend you use a phone camera to take photos (or a video) of every page of your exam. Ensure that the photos are time-stamped.</p> <p>If you submit your exam after the due time then you should send details (including any evidence) to SMP Exams (exams.smp@uq.edu.au) as soon as possible after the end of the exam.</p>
Important exam condition information	<p>The normal academic integrity rules apply.</p> <p>You cannot cut-and-paste material other than your own work as answers.</p> <p>You are not permitted to consult any other person – whether directly, online, or through any other means – about any aspect of this assessment during the period that this assessment is available.</p> <p>If it is found that you have given or sought outside assistance with this assessment then that will be deemed to be cheating and will result in disciplinary action.</p> <p>By undertaking this online assessment you will be deemed to have acknowledged UQ's academic integrity pledge to have made the following declaration:</p> <p><i>"I certify that my submitted answers are entirely my own work and that I have neither given nor received any unauthorised assistance on this assessment item".</i></p>
